

A Bitter Taste of Sweet Oblivion

Sequel to Channeling Morpheus for Scary Mary. Staking a vampire isnt so easy now that Michaels got a vampire of his very own. Although killing them is no longer an option, hes as determined as ever to stop the spread of vampirism. Wild Bill is a lover, not a fighter-so hes tickled when Michaels new agenda, to dispense condoms and sterile phlebotomy gear among vampires, replaces the old heads will roll approach. It takes courage to track down vamps in their own territory and deliver a lecture on safe sex, and more importantly, safe bloodletting. Michaels never been short on audacity...but hes finding that he and Wild Bill arent the only ones with agendas.
