LOVE THAT TRANSCENDS TIME

Lola Ravensworth is a reluctant but powerful

witch, while Marcus Swan was an orphan

who knew there was something different

about him, but never guessed it was a

warlock bloodline. Lola, a reluctant witch,

is on the hunt for Marcus, an ignorant

warlock, to bring him to the Council of

Witches and Warlocks to be educated

about his powers. She goes to New Orleans

to find him. He is a surprise handsome,

young, filthy rich and couldn't be more

perfect. She has to head back to New York

on her birthday the eve of Samhain, when

news of the strongest flood Louisiana has

ever seen is broadcasted on TV. The

weather turns in favor of fate instead of her

wishes. Stranded with Marcus in his castle

until the storm passes, there is no way to

escape the growing physical attraction

between them. And on the eve of Samhain,

they kiss! That kiss is the portal to their

other lives as soul

mates.*****
