

Lily and the Billionaire: Vol. 3

Vol. 3 of the Lily and the Billionaire series! Lily Verano came to London, England to become a painter but instead is working long hours every night in a back-street bar and her dreams seem increasingly unreachable. A fiercely independent woman, Lily immediately resists the approaches of enigmatic Billionaire Edwin Waterman. But try as she might, and despite her belief that she could never give herself to any wealthy man... she cannot ignore the fact that in his presence the world seems to open up before her. The more Lily spends time with Edwin, the more she feels herself falling for the rich, handsome, dangerous, mysterious man... Is she falling under his powerful spell? Lily continues to meet new men around London. But something is missing. Something she cant quite understand. And that is the simple fact that none of them make her feel the way Edwin does... Fans of Bella Andre, Rachel Gibson, and Kristan Higgins will love this quirky romance series with strong, independent woman and sexy alpha heroes.
