[Siren Allure: Erotic Consensual BDSM Romance, public exhibition, spanking, caning, ice play, erotic piercing, sex toys, HEA] Penelope Hanson was lucky to escape, and she wasn't going to let a little irrational fear stop her from living her life. She finds the blessed solution to her problem from the most unlikely source, her prudish older sister. As she begins to fight her fear, a new problem arises in the form of a hot Dom, Trent Walker. He is big, strong, hot, and entirely too controlling. Despite his all too macho tendencies, Trent isn't really sure how to deal with the strong and independent Penelope. He has never worked with a woman quite like her before. She is independent to a fault and as comfortable in control as he is. He is the one who is supposed to be teaching her, but she ends up teaching him it doesn't always have to be him in control. Their newfound happiness is tested by an unknown threat, and for Penelope and Trent failure is not an option. \*\* A Siren Erotic Romance
