

Reluctant Surrender (Trust In Me Book 2)

First off, I'd say, with real love there is no happily ever after. There are going to be fights and struggles, triumphs and accolades. A real man knows this. He also knows that it's not about what he gets from his woman. It's about what he gives her. His loyalty and protection so she can trust him to see the real her without judgment. ---Ethan White, to his girl Colin. He's a prominent Dom used to getting what he wants. She's publicly guarded and tightly wound. He's fascinated by her and somewhat curious. She's intrigued by him, but very cautious. Especially when he tells her something she didn't know about herself. Your attraction or erotic button is only pressed when you're in the presence of a stronger-willed person than you. It couldn't be true. But it was. When an opportunity arises, renowned Dom, Ethan White, seizes the excuse and offers straitlaced Colin Reneaux an escape from her conventional life. Reluctant at first, she eventually agrees to his kink-inspired deal. An enlightening sexual exchange that entails BDSM tapas, promising small bites of various erotic D/s scenarios be played out. Where he is her captor, boss, interrogator, professor and Master. Each eye-opening and sex-fueled scene leaves her more breathless than the last. I imagine a real woman holds nothing back. Nothing? She shook her head. Fear is the prison of the heart. Ethan's surprised to find himself challenged by her strength. He quickly connects with her inner submissive, which draws them deeper into the D/s dynamic. Soon she becomes the woman he swore he'd never need and he becomes the Master she craves. Together they find the perfect balance. Until someone from Ethan's past, bent on revenge, returns and he's left with no choice. He must break Colin's heart to free her from the vengeance that threatens her dream. Fortunately for him, she has other ideas. Like who should wear their heart on their sleeve and who

should ultimately surrender. It certainly wouldn't be her, because she already had
