As the Horn Lord army moves across the countryside, raiding villages and taking innocent maidens for brood stock, innocent young Bera finds herself drawn into a dark ritual by a minotaur shaman. In a contest of strength between the massive barbarian warriors with the bodies of men and the heads of bulls, the biggest and most powerful minotaur will triumph over all. Beras womb is the prize, and with a hundred savage minotaurs bearing witness to her deflowering, she must embrace her own forbidden desires and endure the massive secret that lays beneath the Horn Lord champions loincloth. Warning: This 8,000-word story contains intense and explicit sexual content, including the rough deflowering of an innocent young woman by the biggest, baddest minotaur to ever walk the Golden Grasslands.
