

# Chronicles of Conan Volume 6: The Curse of the Golden Skull and Other Stories

In the years that have passed since prolific pulp writer Robert E. Howard created his seminal sword-and-sorcery adventurer Conan, many other scribes have tried to re-create the passion and energy Howard infused into his stories. Few have come as close as comics writer Roy Thomas did during his long and influential run on Marvel's monthly Conan the Barbarian series back in the 1970s. Collaborating with the most acclaimed and talented artists of the time, Thomas wove a narrative tapestry of action, intrigue, and heroism that is as powerful today as it was when it was first published. This volume features completely remastered color and text corrections.

The Chronicles of Conan Volume 6 The Curse of the Golden Skull It is freely adapted from Robert E. Howard's short story, set in the little he has to go back for, riding away to take up the life of the wanderer once more.
