

When God Steps In, Miracles Happen

From every corner of the world and all walks of life, readers of *Conversations with God* have written to Neale Donald Walsch about their own experiences of God's presence in their lives. Their stories of incredible synchronicities, extraordinary coincidental circumstances, and everyday miracles are collected here in this warm inspirational book, previously published in hardcover as *Moments of Grace* and now available for the first time in a paperback edition. These are stories of everyday folks who have experienced God touching their lives in very real, visible, and direct ways. Walsch weaves these tales seamlessly into the concepts and messages presented in the *Conversations with God* books. These amazing stories will show you how you, too, can experience miracles in your life and discover that they are all around us.
